Your sanctuary in a city bustling with life. Acclaimed architects BVN have created a living collection of dynamic buildings, garden sanctuaries and rooftop landscapes that blend stunning outlooks and leisure zones with beautiful living spaces. It's a rich residential neighbourhood designed around connection and wellbeing. A place to feel at ease in a fast-paced city.

Across a rich series of striking architectural towers and low-rise family apartment buildings, you'll find a diverse range of one, two and three bedroom, single and double storey apartments and penthouses. Double-height glazed lobbies create impressive entries while towers are oriented to capture light and views over Sydney Olympic Parklands and the city skyline.
